

On Sale Lottery

In an effort to be fair to all who wish to purchase tickets, BOK Center reserves the right to use a lottery system for on-sales. All details are provided below:

- It is BOK policy that you cannot line up before 7:00am. A lottery makes lining up early unnecessary.
- Using a Lottery system helps to prevent scalping, and ensures everyone the chance to be first to purchase tickets.
- **The lottery policy is:**
 - Only one raffle will be issued per person. If a person takes multiple tickets they will be disqualified.
 - Patrons must be 12 years old to participate. You cannot switch tickets with anyone or you will be disqualified.
 - Anyone that arrives after the lottery must go to the end of the line.
 - 7:00am – Line forms.
 - 9:00am-9:30am – Raffle tickets are distributed.
 - 9:30am – Lottery drawing
 - 10:00am – On-sale begins
- **The lottery procedure is:**
 - Everyone that arrived before the drawing will be issued a raffle ticket.
 - At 9:30am we will draw one ticket at random.
 - The person with the matching ticket number becomes the first person in line.
 - Everyone else will line up in numerical order behind this person. If your number is lower than the drawn number you will go to the end of the line.
 - If you arrive after 9:30am and miss the drawing then you will go to the back of the line behind everyone that participated in the lottery.
- **Lottery Example:**
 - There are 100 people who are in line that receive a raffle ticket.
 - We pick the number 50 at random. The person with number 50 will lead the line and 51-100 will line up behind the person.
 - Those with raffle numbers 1-49 will stay in numerical order, but go behind the back of the line behind number 100.
 - Please be aware that participating in the lottery does not guarantee you a ticket to the event. It only guarantees you a place in line.
